Goodwin Realty Group will be raffling off a Netbook PC!

This annual event is a celebration of the many restaurants in Easton. From trendy cuisines to time-tested favorites, the Taste of Easton 2010 promises to dish up flavors to satisfy every taste. The town's best restaurants will be on hand serving up their specialties. So grab a fork and taste away!

We've coupled our taste extravaganza with the Easton Business Expo. Attendees can check out the latest business products and services available in Easton; get free advice on issues ranging from tax planning, to the real estate market, to banking; discover unique gift ideas; and find a spa, decorator, or builder just minutes from where you live. Now where will you find a better representation of local business than at this info-packed exposition.

Attendees will have the opportunity to vote for their favorite Easton restaurant! The winner will be announced the night of the event and will receive the Third Annual Taste of Easton Favorite Restaurant Award.

In addition, a portion of the proceeds from the Taste of Easton will be donated to the Easton Food Pantry. The Easton Food Pantry provides food for any resident of Easton in need regardless of income.
